ATAL BIHARI VAJPAYEE GOVT. DEGREE COLLEGE SUNNI

AN INSIGHT

Government College Sunni came into being in 2006. Sunni town, a pristine place, rests deep in a scenic valley and is at a distance of about 50 kms from Shimla on the state highway 13. It is en route to the famous tourist spot Tattapani. Initially the college started functioning in Govt. Sr. Sec. School, Sunni temporarily and later was shifted to the building formerly known as Intern Medical Hostel, IGMC. The college started functioning from the new building w.e.f. September, 2012. In Oct. 2018 the college was renamed as Atal Bihari Vajpayee Govt. Degree College, Sunni.

This new majestic college building is situated at a distance of about 500 mts. from Sunni bus station and is beautifully laid out on the sylvan Himalayan foot hills on the left bank of the mighty river Satluj. However, now, the back waters of the Kol Dam reservoir have formed a lake which has further enhanced the charm and beauty of the place. Thus the college campus having a picturesque, serene location provides an ideal ambience for the seekers of learning. The sprawling campus is spread over an area of 12 acres. The new magnificent building has more than 15 spacious, airy and well lighted lecture theaters and rooms, a well - stocked library and a reading room, well equipped laboratories, a computer lab and many other essential features.

The College is affiliated to H.P. University and offers courses in Arts, Commerce and Science.

In Arts there are 12 disciplines of Humanities and Social Sciences. In Science, this college provides the best of laboratory facilities for both Medical and Non-medical streams.

The new features added to the college include CCTV cameras, a seminar room, six smart class rooms, a gymnasium, separate rooms for different departments and wi-fi facility. The panoramic, vast, new sports ground is fully functional. The Physical Education (sports) department of the college can boast of having the best quality equipments especially for games like boxing, hockey, cricket, volley ball, badminton, kabaddi, basket ball and table tennis. The computer lab of the college is well-equipped with a total number of 30 latest computers, with broad band connection. Fire extinguishers have also been installed as safety measure for the campus, solar lights have also been installed at various places in the campus, a solar power plant with a capacity of 25 KW has been installed. Under the guidance of the Principal and the staff, NSS volunteers of the college have developed a "Tarun - Triveni Vatika" as part of campus beautification.

For the all-round development of the students, a number of subject societies and clubs exist. The students get ample opportunity to exhibit their talent in the various activities organised by these societies throughout the session. The college has one unit under National Service Scheme (NSS), a Rovers & Rangers unit and an active NCC wing. The College Magazine 'Taptdhara' is published every year which gives an opportunity to the students to express their ideas and views and sharpen their writing skills. The Parent-Teachers' Association (PTA) is contributing a great deal in the developmental activities of the college. The students of this college have set a glorious record of academic excellence by bagging merit positions in university examination and other fields.

Thus the college is now making rapid progress in the field of education by providing all the facilities available in any city college. This institution aims to bring about a transformation in the lives of students and people of rural Shimla.

The motto of the college is "स्वयंप्रभा समुज्ज्वला" 'Swayamprabha Samujjwala' i.e.

Let your own guiding light

Enlighten the whole world equally

The aim of this college is not merely to equip the students academically but also to provide a requisite environment and training to enable them to blossom into truly humane, serviceful and integrated personalities.

UGC CHOICE BASED CREDIT SYSTEM (CBCS)

Note: Executive Council of Himachal Pradesh University has approved the adoption of New CBCS of UGC on 30/05/2016 from the academic session 2016-17 onward.

Advantages of the choice based credit system:

- Shift in focus from the teacher-centric to student-centric education.
- Students may undertake as many credits as they can cope with (without repeating all courses in a given Year / Semester if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).
- CBCS makes education broad-based and at par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science etc.
- CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease of mobility of students). Credits earned at one institution can be transferred to another institution.

CHOICE BASED CREDIT SYSTEM (CBCS)

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

COURSES OF STUDY

1. Discipline Specific Core (DSC) Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.
2. Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/ subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

- 2.1 **Discipline Specific Elective (DSE) Course :** Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).
- 2.2 **Dissertation / Project Work :** An elective course of 6 credits, designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project .
- 2.3 **Generic Elective Course (GE):** An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure to other subjects/disciplines is called a Generic Elective Course.

P.S. : A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. **Ability Enhancement Courses (AEC) :** The Ability Enhancement (AE) Courses may be of two kinds: AE Compulsory Course (AECC) and AE Elective Course (AEEC). "AECC" courses are the courses based upon the content that leads to knowledge enhancement. (I) Environmental Science, (II) English / MIL Communication. These are mandatory for all disciplines. AEEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

- 3.1 **Ability Enhancement Compulsory Course (AECC):** Environmental Science, English Communication/MIL Communication. (Sanskrit/Hindi)
- 3.2 **Skill Enhancement Courses (SEC) (Minimum 4):** These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based instruction.

Introducing Research Component in Under-Graduate Courses

Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation/difficult problem. A Project/Dissertation work would be of 6 credits. A Project / Dissertation work may be given in lieu of a discipline specific elective paper.

Implementation:

1. The CBCS may be implemented in Central/State Universities subject to the condition that all the stakeholders agree to common minimum syllabi of the core papers and at least follow common minimum curriculum as fixed by the UGC. The allowed deviation from the syllabi being 20 % at the maximum.

2. The universities may be allowed to finally design their own syllabi for the core and elective papers subject to point no. 1. UGC may prepare a list of elective papers but the universities may further add to the list of elective papers they want to offer as per the facilities available.
3. Number of Core papers for all Universities has to be same for both UG Honors as well as UG Program.
4. Credit score earned by a student for any elective paper has to be included in the student's overall score tally irrespective of whether the paper is offered by the parent university (degree awarding university/institute) or not.
5. For the introduction of AE Courses, they may be divided into two categories:
 - a) AE Compulsory Courses: The universities participating in CBCS system may have common curriculum for these papers. There may be one paper each in the 1st year viz.
 - (i) English/MIL Communication, (ii) Environmental Science.
 - b) Skill Enhancement Courses: The universities may decide the papers they may want to offer from a common pool of papers decided by UGC or the universities may choose such papers themselves in addition to the list suggested by UGC. The universities may offer one paper per semester for these courses. (2 papers/year)
6. The university/Institute may plan the number of seats per elective paper as per the facility and infrastructure available.
7. An undergraduate degree with Honours in a discipline may be awarded if a student completes 14 core papers in that discipline, 2 Ability Enhancement Compulsory Courses (AECC), minimum 2 Skill Enhancement Courses (SEC) and 4 papers each from a list of Discipline Specific Elective and Generic Elective papers respectively.
8. An undergraduate Program degree in Science disciplines may be awarded if a student completes 4 core papers each in three disciplines of choice, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 papers each from a list of Discipline Specific Elective papers based on three disciplines of choice selected above, respectively.
9. An Undergraduate program degree in Humanities/ Social Sciences/ Commerce may be awarded if a student completes 4 core papers each in two disciplines of choice, 2 core papers each in English and MIL respectively, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC), 2 papers each from a list of Discipline Specific Elective papers based on the two disciplines of choice selected above, respectively, and two papers from the list of Generic Elective papers.
10. For the purpose of computation of work-load the following mechanism may be adopted:
 - i) 1 Credit = 1 Theory period of one hour duration
 - ii) 1 Credit = 1 Tutorial period of one hour duration
 - iii) 1 Credit = 1 Practical period of one hour duration

- Compulsory Subject : (i) English Compulsory (ii) Hindi/Skt. Compulsory
- English/Hindi/Skt. (ii) Environmental Science (Ability Enhancement Compulsory Courses)
- Discipline Specific Core (2 Subjects)

The candidate may choose a combination of two subjects from the TENTATIVE list below:

SUBJECT COMBINATION

Basket	Subject Combination	
1.	Economics* Education, Music (Instrumental /Vocal) Physical Education, History, JMC	Subjects mentioned in this basket may be allowed combinations mentioned in basket no. 2 & 3
2.	Mathematics, Pol. Science, Pub. Administration, Psychology.	Subjects mentioned in this basket may be allowed combinations mentioned in basket no. 1 & 3
3.	English, Hindi, Sanskrit, Geography, Philosophy, Sociology*	Subjects mentioned in this basket may be allowed combinations mentioned in basket no. 1 & 2

A student is to select total number of two subjects, selecting one subject from any of the basket 1, 2 & 3 of subjects combination.

Exception : Combination of Sociology and Hindi/Sanskrit shall also be allowed as DSC-1 & DSC 2.

Further if DSC- I is opted then combination with JMC and History may be allowed.

Note:

- Student opting Mathematics as one of DSCs should preferably opt either Economics or Geography as the other DSC. However, it is not binding.
- The practice and experience show that in some combinations there is a large inflow of students leading to difficulties in teaching under circumstances of inadequate faculty availability. Therefore, student strength may be restricted by applying the criteria of merit for admissions in such combinations. The number of admission in one section is 80. Therefore, students opting same subject as DSC-1 and DSC-2 may be restricted to 80 in one section by applying the criteria of merit while making admissions. For admission in 2nd section the strength/number be restricted to 60, combined strength of two sections should be 140 both in DSC-1 & DSC-2 related to same subject. For another section, same criterion be followed subject to the availability of the faculty.
- The subjects that are not included in the basket given above, may be included appropriately.
- The basket of combination will be helpful to avoid unnecessary clashes in time table and also to squeeze date sheet of examinations.

Course Evaluation (Evaluation of the Students)

All courses (Compulsory, Core, Elective) involve an evaluation system that has the following two components:

- i) Continuous Comprehensive Evaluation (CCE) 30% from session 2015-16 onwards
 - ii) Annual Exam/End Semester Examination (AE/ESE) 70% from session 2015-16 onwards
- Continuous Comprehensive Evaluation (CCE) would have the following components:
- a) Classroom attendance : Each student will have to attend a minimum of 75% lectures/Tutorials/Practical. Marks = 5

Those students having greater than 75% attendance will be awarded CCE marks as follows:

$$75 - 79.9 = 1$$

RAGGING - A PUNISHABLE OFFENCE

The college cautions the students studying and seeking admission in it that Ragging is a criminal offence. It is entirely banned in all its forms- physical, verbal and emotional. It also includes mental torture inflicted by any individual or group through words or conduct. Anyone who creates an apprehension in the minds of the students that they cannot pursue their studies without any mental disturbance, would be considered aiding and abetting ragging.

This is informed for the conscious notice of the students, parents and guardians that our institution abides by the latest judgement given by the Learned Supreme Court of India regarding this offence. The guilty students would be punished with any one or a combination of the penalties listed below:

- Debaring from any test and from representing in any meet. Rustication from the institution which means the loss of one academic year i.e. the students concerned shall not be allowed to appear in any university examination during the academic year in which he is rusticated.
- Cancellation of admission and expulsion with subsequent bar on ever seeking admission at the institution.
- Fine upto Rs. 2.5 Lakh (Rupees two lakhs and fifty thousand) only. Suspension from classes and other academic privileges: withholding, debaring scholarship or fellowship.
- Our institution keenly yearns for the strict compliance of students and parents. This punishable offence is strictly prohibited within or outside the college campus. Any student who directly or indirectly commits, participates, aids, abets or instigates ragging shall be considered guilty of indulging in ragging and will be punished in accordance with the above mentioned charter of punishment.

The college has constituted an anti-ragging committee to prevent any occurrence of ragging in its campus. The students are directed to approach the following members of the committee just in case of ragging as described in the first paragraph.
