Report on NCC Cadets Activities and College Recreation Programs

This report highlights the structured physical and recreational activities conducted for the NCC and for the NCC cadets and other students at our institution.

1. Volleyball Classes and Competitions (1st & 2nd Week)

Every 1st and 2nd week of the month, volleyball classes and competitions are organized specifically for the NCC cadets. These sessions are aimed at providing a recreational outlet, improving teamwork, coordination, and physical endurance among the cadets. The competitions foster a spirit of healthy competition and enhance their volleyball skills.

Objectives:

- Recreation and relaxation through sports.
- · Improvement of teamwork and coordination
- · Physical fitness and stamina development

2. Yoga Classes (3rd & 4th Week)

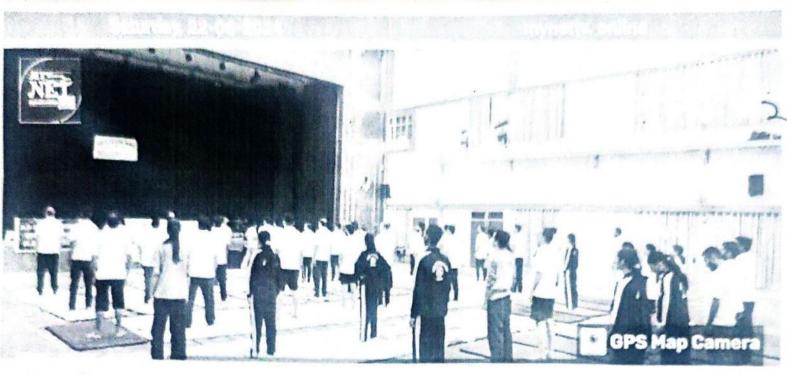

During the 3rd and 4th week, we conduct yoga classes which are open to all students across the college. The objective of these classes is to promote physical wellness, mental clarity, and stress reduction. Through yoga, we aim to enhance the students' physical strength, flexibility, and mental peace, which supports overall personal development.

Objectives:

- Improve mental health through relaxation techniques
- Enhance physical flexibility and strength
- Promote holistic well-being for all students

These activities not only serve as a recreational break but also play a crucial role in the overall development of students' physical and mental capabilities. The participation from the students has been encouraging, with a positive impact on their health and well-being.
