

MEMORANDUM OF UNDERSTANDING
Between
Atal Bihari Vajpayee Government College Sunni
and
Sunni Hydro Electric Project (SJVN Unit)

This Memorandum of Understanding (MOU) is entered into on this date on ^{08/10}..... October, 2024, between Atal Bihari Vajpayee Govt. College Sunni and Sunni Hydro Electric Power Project (a unit of SJVNL).

The purpose of this MOU is to establish a formal relationship between the College and the Company for the providing practical knowledge of accounts and functioning of company to provide better opportunity to college students in internship.

Objective

The objective of this MOU is to outline the terms and conditions for collaboration between the College and the Company, aimed at facilitating internships for students enrolled in B.Com final year students to know the practical knowledge of company accounts.

Roles and Responsibilities

College Responsibilities

- **Selection of Interns:** The College shall be responsible for identifying and recommending students who are eligible for internships, based on their academic standing, skill sets, and interest.
- **Coordination:** The College will designate a faculty member or internship coordinator to act as the primary point of contact for the Company. This coordinator will liaise between the College, the students, and the Company to ensure smooth communication.
- **Student Support:** The College will provide necessary support to students in preparing them for the internship through guidance, pre-placement training, and any other relevant preparation.
- **Monitoring:** The College will monitor the performance of students during the internship period and provide support, as required.

Company Responsibilities

- **Internship Opportunities:** The Company agrees to provide internship opportunities for students of the College in relevant departments and roles.

- **Supervision and Mentorship:** The Company will mentor, and evaluate the interns during their placement.
- **Evaluation and Feedback:** The Company will provide regular feedback on the performance of the interns, including any areas of improvement. At the conclusion of the internship, a formal evaluation will be provided to the College.

Duration of Internship

The duration of the internship will be mutually decided by the College and the Company based on the requirements of both parties, but shall typically range from 8 to 10 students in a group for Two to Three Weeks. The duration may be extended or shortened based on mutual agreement.

General Provisions

This MOU does not create any legal or financial obligations for either party but serves as a framework for cooperation between the College and the Company. Both parties agree to work together in good faith to achieve the objectives outlined in this document.
